

MVP Health Services Corp.
Coverage for Foot Orthotics
MN(EPO/EDH)269LB
Large Group

This Rider amends the terms of your MVP Health Services Corp. ("MVP") Group Contract and Certificate of Coverage (the "Contract") as follows:

A. Foot Orthotic Coverage.

We will provide Benefits for orthotic devices as defined by Medicare.

Custom-made orthopedic shoes are covered if they are an integral part of a leg brace or are therapeutic shoes for a non-diabetic Member and prescribed by a Provider. Benefits will be provided for one (1) pair of custom molded shoe inserts once every three (3) Plan Years. Coverage for diabetic Members is provided under Durable Medical Equipment and Braces in the Additional Benefits, Equipment and Devices section of Your Contract.

Orthotic Devices for feet such as orthopedic shoes, arch supports, inserts and shoe fillers (e.g. lifts, wedges and heels) are a covered benefit. Benefits are not available for elastic support stockings, devices prescribed for a sports-related function or any other foot supports.

This benefit is subject to the Prosthetic Devices Cost-Share listed on your Schedule of Benefits.

B. Other Provisions.

All of the terms, conditions and limits in your Contract also apply to this Rider, except where changed by this Rider.

Your group has added this Rider to your Contract. This Rider may be deleted, at your group's option, upon renewal of the group's contract with MVP.
